## **The Blow Waves to play at JOY 94.9 exclusive live to air gig**

THE BLOW WAVES will be playing at the first JOY 94.9 live to air gig between 9pm and 11pm on Friday November 7, 2008.

This is an exclusive VIP event held on the JOY Rooftop and access is only granted to members who have won tickets on air.

Listeners will also have the chance to hear THE BLOW WAVES live to air on JOY 94.9.

Music Director Damian Nicholas said, "The Australian music industry is in exceptionally good shape right now. The Blow Waves are a fine local example of the electro-fuelled pop/rock that's beginning to take the world by storm.

As Australia's only GLBTI broadcaster and a pioneer in new and emerging styles of music, we're totally and utterly thrilled to have them rocking out on our rooftop!"

The Blow Waves includes ex Mavis's dom Matt Thomas and ex. Love Outside Andromeda's Jamie Slocombe. The band is known for their iconic blend of disco infused punk and danceable anthems.

The group has been hitting locations ranging from Adelaide's Feast Festival in 2006 to Sydney's Gay & Lesbian Mardi Gras party in 2008 alongside Olivia Newton-John and Cyndi Lauper.

Over the last year, The Blow Waves have been tearing up live touring and exposed to performing to sell out crowds. The Blow Waves will be supported by DJ Rollerboy aka Daniel Humphreys.
