

ABOUT JOY

For 30 years, JOY Media has been the out, loud, proud voice of Australia's LGBTQIA+ communities.

JOY Media is Australia's only not-for-profit rainbow community media organisation, made up of the diverse voices of the LGBTQIA+ rainbow.

Powered by 160+ volunteers and led by a small leadership team, JOY's presenters, producers, newsreaders, creators, and curators deliver quality community media, every hour, every day of the year.

When JOY started in 1993, its original purpose was to bring together a devastated and isolated gay community ravaged by the AIDS crisis. Since then, JOY has evolved into an organisation which informs, entertains, and empowers LGBTQIA+ communities and our allies across Australia and the world, with the purpose of building a more inclusive Australia.

Through the biggest challenges Australia's rainbow community have faced, JOY has been there to ensure our community are connected.

JOY Media represents the people, stories, news, music, and lived experiences of Australia's LGBTQIA+ community and our allies.

JOY's organisational values are:

- **JOYOUS:** A celebration of diversity, talent, music, and entertainment
- **INCLUSIVE:** A safe and supportive environment for all members of the LGBTQIA+ communities
- **COURAGEOUS:** A way to change lives by speaking out, sharing stories, and challenging boundaries

Our media services include:

- 24/7 live radio, broadcasting on JOY 94.9 FM and DAB+ and streaming live online
- Bespoke production services, including podcasts
